Response Due Date:
February 19, 2008

Identification Number: C00034033

Reference: May Monthly Report (4/1/07 – 4/30/07)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 8 items:

1. Please clarify all expenditures made for "Fundraising" on Schedule(s) B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E or F supporting Lines 23, 24 or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1
2. Schedule B supporting Line 21(b) of your report discloses a payment(s) totaling \$882.98 for "Printing." Expenditures and disbursements for public communications (as defined under 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please clarify if this activity meets the

definition of Federal Election Activity or if it contains express advocacy and amend your report to properly disclose this activity, if necessary.

3. Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "federal payroll taxes," "health insurance," "ITEMIZE: health insurance" and "state payroll taxes." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

4. Schedule H4 of your report discloses \$340 in payments for "contract labor/janitor" to individuals. Please clarify whether these individuals are employees of your committee. If they are employees, please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on Federal election activity (FEA) or activities in connection with a Federal election. You are advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on FEA or activities in connection with a Federal election must not be allocated between or among federal, non-federal and Levin accounts. Rather, only federal funds may be used.

Any reimbursement from your committee's non-federal or Levin account for salary and wage payments for employees who spent more than 25% of their compensated time in a given month on FEA is not permissible and must be returned. Please provide clarification regarding these payments.

5. On Schedule H4 of your report, you have used an incorrect fixed percentage for your allocated federal and non-federal administrative,

generic voter drive and exempt activity costs. By checking an allocation ratio with a lower federal percentage, you have inflated the amount of non-federal funds which you can transfer from your non-federal account to your federal account. Please amend your report to show the appropriate allocation ratio on Schedule H4. Please note that a change in this ratio may make it necessary to repay your non-federal account for any overpayments that may have been made. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration. 11 CFR §106.7(d)(2) and (3)

6. On Schedule H1 of your report, you have checked an incorrect fixed percentage for your allocated federal and non-federal administrative, generic voter drive and exempt activity costs. The fixed percentage for these costs is based on whether a Presidential and/or a Senate candidate appear on the State's ballot. Please amend your report to include a corrected Schedule H1 and note that a change in this ratio may make it necessary to repay your non-federal account for any overpayments that may have been made. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration. 11 CFR §106.7(d)(2) and (3)

7. On Schedule H2, you disclose the ratio for "Fundraising" to be the same as previously reported; however, it appears that this activity/event was not previously reported. Please amend your report to clarify this discrepancy. 11 CFR §§104.10 and 104.17

8. Schedule H2 of your report indicates that your committee participated in "Fundraising" activities or events during the reporting period. However, there are no corresponding disbursements reflected on your Schedule H4. Note that you need not include activities on Schedule H2 if there are no corresponding payments made for the activity during the reporting period. If any disbursements were incorrectly reported, you should file an amended Schedule H4 with the correct activity or event identifier, or provide clarifying information regarding the activities on Schedule H2.

-Schedule H2 discloses activity which is 100% federal. Please be advised that by definition, this activity does not qualify as a shared expense to be allocated between your federal and non-federal accounts. Please amend your report to clarify these discrepancies and note that for future filing, any activity which is financed entirely by the federal account should be reported on Schedule(s) B, E or F, as appropriate.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1393.

Sincerely,
